There is an opportunity once again for elders to do the Sacraments Course. It involves 4-6 sessions, meeting once a month. A local minister will lead the group. An elder must have the Presbytery's support, to be commissioned to administer Communion and Baptism.

If an elder wishes to follow the course to administer the Sacraments ( eg in the home, in a residential setting or in church) please contact the Training Co-ordinator asap. The exact location of courses will be arranged to suit the students.

The Mid-Wales and Cardiff courses will be in English; Myrddin and Pwllheli courses will be in Welsh.
