

### Legitimate Interests Assessment

You need to assess the balance between the legitimate interests of the church and the protection of the interests or fundamental rights of the individual (see section 3.2 of the Data Protection Rules for churches). Please record all legitimate interests assessments on this form, and retain the form on your files.

ISSUES TO CONSIDER	ASSESSMENT	DECISION
E.g. Should a youth club leader's mobile phone number be included in the church newsletter?	Including the phone number is important because a parent/guardian might need to phone the youth club leader.	Include the youth leader's mobile phone number in the church newsletter.
